“He aha te mea nui o te ao?
He tāngata, he tāngata,
he tāngata”

What is the most important thing in this world? It is people, it is people, it is people.

Ramarama School 2024

This year our whakatuki/ theme is:
He aha te mea nui o te ao? He tangata he tangata he tangata!
What is the most important thing in the world? It is people, it is people, it is people.

Through literacy, maths, science, the arts, social sciences, play, health and physical education we will learn about the ways people are connected to each other, our school, the local and wider community, New Zealand and the world.

Property Work

Over the summer holidays a new of property jobs were completed around the school. We have had new clearlite roofing installed throughout the hall, the street, the pool changing rooms and a few of the walkways. Kereru Learning space got a new roof and a new school bag rack was built outside Pukeko and Piwakawaka.

Next on the property lists is fixing the concrete at the front of the school and starting on the quotes and design of the new senior playground.

We will have a range of ice blocks available for purchase each Friday for \$2. Bring along some money if you would like to purchase one.

Freezy Friday.

Swimming

- Check your class Seesaw page for your child's swimming days.
- We have some on-going issues with the paint on the outside of the pool and the colour is coming off on togs - please send older togs that you don't mind if they get some blue colour on them. We are hoping to get this rectified once swimmin g has finished later this term.
